QuestSoft Named as Top Workplace by *The Orange County Register* for Second Consecutive Year

LAGUNA HILLS, CALIF., Dec. 5, 2014 – QuestSoft, a provider of [automated mortgage compliance software](#), has been named as a 2014 Top Workplace by *The Orange County Register's* annual survey for the second consecutive year.

The selection committee recognized QuestSoft as a Top Workplace for fostering a familial community based on respect and continuing to uphold core values. Additionally, the company prides itself on open communication, encouraging new ideas and forming innovative solutions to the compliance challenges facing lenders nationwide. QuestSoft provides comprehensive and automated compliance software and services to more than 1,800 banks, credit unions and mortgage companies.

“Over the years, QuestSoft has built a reputation of providing the best services and solutions, as well as the best customer support to its clients. This type of exemplary reputation is only possible by building a foundation of stellar employees and a nurturing work environment,” said Leonard Ryan, president and founder of QuestSoft. “Being named a Top Workplace by *The Orange County Register* for a second straight year, as well as nine other awards from the mortgage industry in 2014, demonstrates that focusing on the *people* – both staff and customers – is the key to our success.”

The Orange County Register's Top Workplaces are determined based on employee feedback, including an independent [employee survey](#) that is conducted by WorkplaceDynamics, LLP, a leading research firm on organizational health and employee engagement. Additionally, WorkplaceDynamics conducts regional Top Workplaces programs with 40 major publishing partners across the United States. Through its workplace improvement offerings,

WorkplaceDynamics provides solutions, training and tools to help clients improve their place of work.
